

ROIS SURYA SAPUTRA FAMILY

ro1ssury4@gmail.com | +62 896-3738-9021 | Makassar, ID

I am Rois Surya Saputra Family, alongside my academic pursuits, I have developed strong expertise as a graphic designer. I have an interest in technology which I further developed through education in computer engineering at Makassar State University. During my experience, I became deeply involved my teamwork, public speaking, and time management skill and also always upgrade my potential in programming and graphic design by training and learning. I am dedicated to making a positive impact on society and the environment. I am excited to utilize and develop my skills, knowledge, and enthusiasm to drive positive change and create a better sustainable future.
